Designed For Practical Bathroom Storage

This concept catalogue explores bathroom cabinet directions that can be developed using folded sheet metal, tube frames, powder coating, mirror integration, and knock-down construction. The aim is not to make the cabinet thin; it is to make it stronger, cleaner, easier to pack, and more practical for repeat supply.

MATERIAL

CR steel / stainless steel options

FINISH

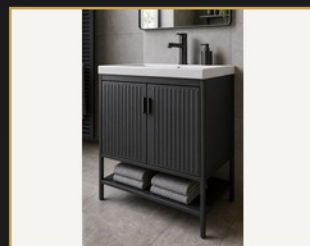

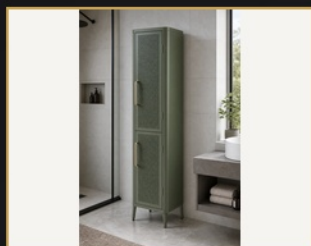

Powder-coated, brushed, matte, or two-tone

USE CASE

Hotels, apartments, retail, hostels, projects

DEVELOPMENT

OEM/private-label, sample-led design, carton optimization

MBC-01

METAL BATHROOM CABINET

Wall-Mounted Mirror Cabinet

Powder-coated steel body with mirror doors

- Slim wall-mounted form
- Mirrored double-door storage
- Side ventilation slots
- Integrated lower towel shelf

Custom size, finish, handle style, ventilation, mirror, shelving, and carton specification can be developed after sample approval.

MBC-02

METAL BATHROOM CABINET

Tall Vented Storage Cabinet

Freestanding powder-coated steel cabinet

- Perforated metal door panels
- Raised moisture-safe legs
- Narrow footprint for compact bathrooms
- Premium sage finish option

Custom size, finish, handle style, ventilation, mirror, shelving, and carton specification can be developed after sample approval.

MBC-03

METAL BATHROOM CABINET

Stainless Medicine Cabinet

Brushed stainless steel mirror cabinet

- Folded sheet-metal construction
- Internal steel shelving
- Soft concealed hinge detail
- Moisture-resistant bathroom storage

Custom size, finish, handle style, ventilation, mirror, shelving, and carton specification can be developed after sample approval.

MBC-04

METAL BATHROOM CABINET

Industrial Vanity Cabinet

Charcoal metal vanity base with ribbed doors

- Under-sink steel cabinet
- Open lower towel shelf
- Raised tubular steel frame
- Strong hospitality-ready look

Custom size, finish, handle style, ventilation, mirror, shelving, and carton specification can be developed after sample approval.

MBC-05

METAL BATHROOM CABINET

Modular Wall Cabinet Set

Asymmetrical metal wall storage system

- Mirror and open-shelf combination
- Two-tone powder-coated finish
- Hidden wall brackets
- Flexible hotel/apartment layout

Custom size, finish, handle style, ventilation, mirror, shelving, and carton specification can be developed after sample approval.

Over-Toilet Louver Cabinet

Space-saving metal cabinet with towel rail

- Louvered steel double doors
- Open lower utility shelf
- Integrated towel bar
- Apartment and hotel bathroom fit

Custom size, finish, handle style, ventilation, mirror, shelving, and carton specification can be developed after sample approval.

Built Smarter For Repeat Supply

Recommended development focus: folded steel panels, moisture-safe raised bases, replaceable shelves, clean ventilation, reliable hinge/handle hardware, KD packing where possible, and carton dimensions optimized for container loading.

- Powder-coated steel body options
- Mirror-door and open-shelf variants
- Ventilated locker-style bathroom storage
- Flat-pack or semi-assembled export packing
- OEM/private-label specification control
- Sample-led development before bulk production
