Our Advantage

Why Khodiyar Steel is a practical manufacturing partner for hospital and institutional metal furniture.

KSI Manufacturing Strength

- Certified manufacturing company based in Surat, Gujarat, India
- Established metal furniture manufacturing background
- Factory-direct supply for hospitals, dealers, institutions, and project buyers
- OEM/private-label support for buyer-specific product ranges
- Custom size, finish, color, packing, and configuration support
- Export packing and repeat container/project supply capability

Client USPs

- One supplier for beds, lockers, cupboards, trolleys, racks, seating, and support equipment
- Practical products built around metal fabrication, powder coating, and repeat manufacturing
- Dealer-friendly range with customization available without changing the entire product line
- Suitable for hospitals, clinics, nursing homes, hostels, staff accommodation, and institutions

Documents and certification details can be shared on request for procurement review.

This catalogue is intended for first-stage discussion with hospitals, dealers, institutional buyers, and project suppliers. Final specifications, commercial terms, and packing can be confirmed after requirement review.

Beds & Patient Room

Core hospital room products that match KSI's existing metal bed, locker, and furniture manufacturing strengths.

Hospital Beds

Semi-Fowler Hospital Bed

Hospital Beds

Plain Hospital Bed

Patient Room Furniture

Hospital Support Equipment

Best fit: Wards, treatment rooms, clinics, nursing homes, and hospital support areas

Product Specs

- Mobile caster-base IV stand
- Height-adjustment option
- Two-hook or four-hook option
- Stainless or powder-coated finish option
- Compact export packing available

KSI Support

- Custom finish and packing
- OEM/private-label support
- Dealer and project supply
- Company documents on request

USPs

- High-repeat support product for hospitals and dealers
- Easy to add into larger container orders
- Simple design with practical customization options

Stretcher Trolley

Mobility Equipment

Best fit: Patient transfer areas, clinics, emergency rooms, and healthcare facilities

Product Specs

- Mobile stretcher trolley format
- Cushion-top option
- Side rail and IV pole option
- Caster and brake options
- Powder-coated or stainless finish option

KSI Support

- Custom finish and packing
- OEM/private-label support
- Dealer and project supply
- Company documents on request

USPs

- Practical patient-transfer product for hospital buyers
- Can be supplied in basic or premium configurations
- Suitable for medical dealers and healthcare project suppliers

Crash-Cart / Dressing Trolley

Mobile Storage

Best fit: Dressing rooms, nursing stations, wards, treatment rooms, and clinical support areas

Product Specs

- Mobile trolley with drawers and shelves
- Push handle and caster base
- Lock, tray, and accessory-holder options
- Stainless top or full stainless option
- Custom drawer layout available

KSI Support

- Custom finish and packing
- OEM/private-label support
- Dealer and project supply
- Company documents on request

USPs

- Higher-value hospital storage product
- Can be customized while keeping a standard trolley platform
- Useful for dealers building hospital-room packages

Storage & Institutional Furniture

Metal storage and seating products for hospitals, clinics, pharmacies, staff areas, and institutions.

Medical Storage
Medicine Cabinet

Medical Storage
Hospital Storage Rack

Public Seating
Waiting-Area Metal Chairs

Institutional Storage
Staff Lockers and Cupboards

Medicine Cabinet

Medical Storage

Best fit: Hospitals, clinics, pharmacies, medicine stores, and nursing stations

Product Specs

- Floor-standing or wall-mounted format
- Glass-door or metal-door option
- Adjustable shelf option
- Lockable handle option
- Powder-coated or stainless finish option

USPs

- Secure and clean storage for healthcare environments
- Flexible shelf and door configurations
- Useful for dealers, pharmacies, and project buyers

KSI Support

- Custom finish and packing
- OEM/private-label support
- Dealer and project supply
- Company documents on request

Hospital Storage Rack

Medical Storage

Best fit: Linen rooms, medicine stores, consumable storage, and hospital back-of-house areas

Product Specs

- Open metal shelving format
- Fixed or knock-down construction option
- Adjustable shelf option
- Powder-coated or stainless finish option
- Custom height and width available

USPs

- Useful across healthcare and institutional storage areas
- Good container-filling item with beds and cupboards
- Simple product for repeat project supply

KSI Support

- Custom finish and packing
- OEM/private-label support
- Dealer and project supply
- Company documents on request

Waiting-Area Metal Chairs

Public Seating

Best fit: Hospitals, clinics, diagnostic centres, public offices, and institutional waiting areas

Product Specs

- Linked beam-seating format
- Two-seat, three-seat, or four-seat layout
- Armrest and cushion options
- Powder-coated or stainless finish option
- Floor-fixing option available

KSI Support

- Custom finish and packing
- OEM/private-label support
- Dealer and project supply
- Company documents on request

USPs

- Durable public seating for high-usage areas
- Suitable beyond hospitals: institutions, offices, and public facilities
- Project-friendly product with layout customization

Staff Lockers and Cupboards

Institutional Storage

Best fit: Staff rooms, changing rooms, stores, administration rooms, hospitals, hostels, and factories

Product Specs

- Single-door, multi-door, and cupboard formats
- Shelf, lock, handle, and vent options
- Powder-coated finish
- Custom color and branding available
- Assembled or flat-pack supply option

USPs

- Directly matches KSI's existing cupboard and locker manufacturing strength
- Useful across healthcare and general institutional buyers
- Strong repeat product for project and dealer supply

KSI Support

- Custom finish and packing
- OEM/private-label support
- Dealer and project supply
- Company documents on request

Next Step

Share the product interest, quantity, finish, customization, packing preference, and delivery market. Khodiyar Steel can then suggest the suitable model and prepare a practical commercial discussion.

KSI Can Support

- Hospital furniture and institutional metal furniture manufacturing
- Beds, lockers, cupboards, trolleys, racks, seating, and support equipment
- OEM/private-label and dealer supply support
- Export packing and container/project supply
- Certified company and manufacturing documents available on request
